

ZION EVANGELICAL MINISTRIES OF AFRICA
FOCUS ON MISSIONARY FAMILIES

HARRY AND BOBBIE HAVE JOINED THE ZEMA FAMILY SERVING AT SUNBURY CHRISTIAN CAMP. HARRY OVERSEES THE MAINTENANCE OF THE CAMP, AND BOBBIE IS THE NEW CAMP ADMINISTRATOR.

ZEMA welcomes Harry and Bobbie Bisher!

Harry and Bobbie Bisher came to Sunbury Christian Camp in August from a Christian humanitarian ministry in Swaziland where they had been working since December 2010. Prior to that, Harry owned a building and remodeling business in the greater Nashville, TN area, and Bobbie worked at Vanderbilt University.

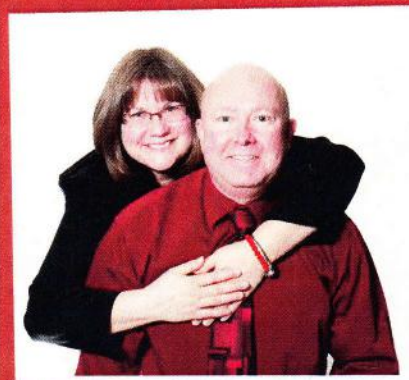

The Bishers met at a small Bible Church in Michigan shortly after Harry became a Christian. They have seven grown children and fourteen grandchildren. Harry grew up in a small town near Niagara Falls, and Bobbie was raised in India, where her parents were missionaries. While living in Michigan, they felt God calling them to ministry. There, Harry joined the staff of Teen Challenge Nashville for awhile and Bobbie volunteered with refugees.

Harry comes to Sunbury with a long background in the building trades. Bobbie's business background is administration and Human Resources. They are excited about the opportunities at Sunbury and also outreach to local communities.

You're on our list... are we on yours?

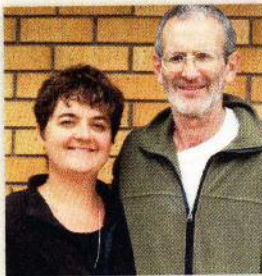

As 2012 winds die down, many of you are considering what to give as a year-end gift to your favorite charity. No doubt you have already received numerous requests from many worthy causes. We hope that ZEMA is on your list. You are certainly on our list! We appreciate your support and would like to ask you to consider making a year-end donation to ZEMA's general fund. We rely on this fund to provide support services to all our missionaries. You can make your contribution on our website, www.ZEMA.org, or by sending a check to ZEMA, P.O. Box 727, Zion, IL 60099.

Dr. Mike McDowell, Executive Director

Praises and Prayers from our missionary families

The Adkins

Praise God for eight years of ministry in Mthatha! Please pray for the work there as we leave, and that we would raise the support we need for a smooth transition as we move to Port Elizabeth in early 2013.

The Seghers

We have been blessed by a new daughter in our family. We have been blessed by supporters who have remained faithful to our ministry for 19 years, as well as by a few new supporters who have picked up some of our financial support. We are greatly encouraged by the new camp directors at Sunbury, Harry and Bobbie Bisher. Pray that our family would remain faithful to Jesus in whatever path the Lord leads each of us.

The Kuehls

2012 has been a year of surprises from God. While God has been our rock and 'shelter' during the storms of life, He has also upheld, lifted, encouraged and blessed. His hand has been evident in our lives in unexpected ways through discounts, free gifts, encouraging words, abundant provision and being able to see all of our children.
