Please pray for us as we return to Sunbury Christian Camp and that we would be open to how God may use us and Sunbury moving forward as things begin to re-open from COVID-19.

**2. Paul and Carrie Seelhammer**—Pray for the Radio and Media ministry development and expansion. Pray for the Vhembe District ministry in the Limpopo province. Pray for the ministry of fellowship and discipleship of Zion churches through Zion Evangelical Fellowship of Africa (ZEFA).

**3. Richard and Geraldine Akers**— Pray we can have a full year of ministry in 2022. Pray for amaZioni who are put under pressure when they follow the Gospel. Pray that we would continue to be able to access venues for the ZEBS classes

**4. Barry and Louise Adkins**—Please pray our students will return to class again as numbers have been down due to COVID-19. Thank you so much for praying for us and our children, please continue to pray for Peta-Jade as she starts University next year and Nathan as he starts Grade 8 in January 2022.

**5. Matthew Kuehl**— Please pray I will continue to learn Zulu. I have been so encouraged with what God has helped me to learn up to this point but there is still a long way to go to be where I want to be. Pray God would continue to bless ZEBS and the other ministries that I am involved with as we rebuild after COVID-19.. Pray God would bless me personally and would provide and empower me to be the servant He wants me to be in South Africa.

**6. Jon and Lauren Emanuelson**— Pray for God to raise up strong Zion leaders and churches so that those who convert to Christianity will be able to join Biblical, Christ-centered Zion churches. Pray also for perseverance for those studying at the Zion Evangelical Bible School and Mukhanyo Theological College distance site in East Lon-

don, Eastern Cape and for God's blessing to be upon us a family as we seek to obey His will for our lives.

**7. Stephen and Jessica Langley** (TEAM) - Please pray for wisdom, creativity, and skill in Zulu as we work to create new Bible study resources. Pray that the young Zionists we are discipling would come to know and love Jesus. Pray that God would connect us with young Zionist leaders who are passionate about reaching Zionist youth with biblical teaching.

**8. Mark and Barb Hugo** (SIM)—Our prayer is to help the mile wide church in Southern Africa to grow far past an inch thick, and we are privileged to be a part of this task. Our prayer in the Western Cape is to follow up on leads we have received in 2021, and the serious possibility of starting at least one new school in the more remote parts of our province. Thanks for faithful prayer, may we walk continue to walk in step.

**9. Greg and Carlene Seghers**—Please pray for us as we transition to living permanently in the USA. Pray for God to continue to guide us in sustaining vital relationships on both sides of the ocean. May God provide personnel who will permanently live and minister at Sunbury Christian Camp. Pray for us as we expand ZEMA's network in the USA. Pray for discernment for ZEMA's Board and us as, together, we seek to grow this Southern Africa ministry to the amaZioni.

**10. Timon and Anni Steiner** (DMG) -- Language learning has made steady progress over the last two years. Pray that we have frequent exposure to the local Xhosa language. We thank God Timon has made several contacts with individual Zionists. Pray friendships would grow and the Lord would work in them and through them to open doors for the gospel. Pray for a volunteer to help us with German home schooling next year. We've been hoping and praying for this for more than two years, yet previous candidates had all cancelled for various reasons. Pray that Ann-Kristin's long-standing permanent resident visa application gets approved.

**11. Andy and Heather Sullivan**—Please pray as Andy steps down as Administrator of ZEFA and Paul Seelhammer succeeds him. Andy will serve as the Assistant Administrator and will “mentor” Paul as he takes over the responsibilities of church development and leadership training among our Zionist churches and church leaders. Pray for guidance and direction as we plan for another year of ministry. Pray for wisdom and understanding as we minister in a “post COVID-19” society with all the changes that have happened.

**12. Kit Tischler** (TEAM)—Please pray for wisdom in how to best serve, love, and teach the amaZioni students and graduates. Pray the Holy Spirit would open the eyes and hearts of these young people to the grace of Jesus, the freedom of the gospel, and the truth of His Word.

**13. Brett and Evelyn Miller** (TEAM)— Please pray for Zion Bible College in 2022. As you can imagine 2021 set us back in our strategic goals. Thankfully, we maintained our Biblical Foundation and Swazi Leadership, but our drive to sustainability and sending were set back. Pray for students to return, even more than pre COVID-19, and pray for the expansion of our prison and distance ministries.

**14. Luan and Susanne Goosen**— Please pray for the spread of the gospel, for more missionaries, and for more teacher helpers in the Bible school. Pray for Pieter during his enlistment in the Navy, for Sarah as she returns to the States and makes many decisions about her future career, and for Katelyn as she diligently studies in Grade 9 during the 2022 school year. Pray for a great measure of God’s blessing upon the ministry and for many to come to Christ.

**15. Marius and Nozipho Swart**— Please pray for our ZEBS classes and couples ministry. Pray for Nozipho’s counseling work and translation of the coursework at South Coast Bible School into English. Pray for fruit with the online recordings to our ZEBS students abroad and for those in our WhatsApp group on Wednesdays. Pray for our family for health, strength and wisdom. We thank

you all for your prayers and support and may God's grace shine upon you.

**16. Dennis and Caitlin Boatman**—We just submitted my (Dennis’) application for US citizenship, which remains one of the last hurdles between us and moving to the mission field. Please pray that the process is quick and smooth. We are still floundering a little in raising support and in knowing how to gain some momentum. Please pray for wisdom and impetus to face this daunting task. Praise God for the joy we have in our children, all of whom are growing healthily. We are often floored by the blessing they are to us.

**17. Tim and Luann Kuehl**—Praise God that He enabled us to reopen eight ZEBS Bible Colleges in 2021 in Gauteng and surrounds. Pray that in 2022 ZEBS will grow back to its pre COVID-19 levels of attendance and beyond and will transform many lives. Pray that Luann’s Children’s Ministry training will reach many children through the local churches. Pray for more trained workers and for God to be with us, and those we serve, in every way.

**18. Jeff and Kim Livingston**—Pray for Jeff’s teaching responsibilities and Kim as she maintains ZEMA’s 2 new websites while operating their business and caring for their children. Pray for them to find a healthy balance between family and ministry obligations.

**19. Eric and Susan Binion** (TEAM) - Eric teaches ZEBS and travels to Lesotso to teach Zionists. Pray they would be able to effectively disciple and mentor the UBI students and that the ZEBS would grow in number and spiritual depth. Pray their adult children would continue to walk with the Lord and understand God’s will for their future.

**20. Field Director and Mission Director**— Please pray for Greg Seghers as he currently serves in both positions. Ask God to grant him wisdom as he makes decisions that impact the mission work in Southern Africa and the USA. Pray for unity among the Board of Directors, Field Council, and Field/Mission Director as they work together to accomplish God’s will for ZEMA.

21. **Board of Directors**— Pray God will grant our Board of Directors wisdom in their leadership of ZEMA. Members are Kathy McIlhany, Barry Norris, Lew Richards, Dan Capp, Geff Lee, Todd Harder, Kevin Pinter, Paul Bradley, Brad Schreiner, and Mike Gibbs.
22. **Field Council**— Pray for the field council members as they make decisions and give direction to ZEMA's ministries. Members are Louise Adkins, John Aubrey, David Lock, Mark Hugo, Eric Binion, Paul Seelhammer, Nozipho Swart, and Greg Seghers.
23. **Discipleship and Evangelism**—Please pray for the following programs: The *This We Believe* correspondence course and the *Zion Banner* newsletter introduce Zionists to the gospel and other Zion ministries. The *Trumpet of Zion* radio ministry offers Bible teaching weekly and is broadcast in Swaziland, KwaZulu Natal, Gauteng and Mpumalanga. Pre-COVID-19 there were 82 Bible Schools (with 2,800 students). Bible Schools provide formalized training for amaZioni church leaders. Other training ministries include: Zion Youth & ATEZS/university ministry, camping ministries, and the Jesus Film. May God bless His church!
24. **Children's Ministry and Teacher Training**— ZEMA missionaries traditionally hold Sunday School Teacher Training Conferences each year. Class sizes range from 20-100 students teaching ages 4-14. Pray for these teachers to have patience, abundant creativity, and for the love of Christ to be presented.

25. **New relationships with Churches and Bible Schools**— Pray more churches in South Africa might get involved by supporting schools and Zion ministries in their areas. Pray more USA churches would get involved by sending short term teams for specific ministry and conference support. We would like to see more Bible schools getting involved by sending interns and eventually full-time missionaries to help us keep up with ZEMA's expanding ministries.
26. **Partner agencies and personnel**— Pray for our partner ministries: TEAM, DMG, SIM International, and the Baptist Union of South Africa and pray also for personnel needs for the camping ministry at Sunbury. Sunbury camp introduces people to Jesus Christ and offers spiritual renewal for believers and church leaders.
27. **Zion Youth**—Many children in South Africa are orphaned, diseased, and living in poverty. Pray the ZEMA missionaries and others would clearly show God's love and have wisdom as they minister in challenging circumstances. Pray for the Langley's and Kit Tischler as they focus on youth ministries through ATEZ (Association of Tertiary Zion Students), groups, and through other means of mentoring and discipling. Pray God would raise up a new generation of strong, evangelical amaZioni believers.
28. **amaZioni Bible School Teachers and Students**— Pray for the financial and family needs of Bible school students and our ZEBS and ZBC teachers. These men and women give of their time and have made a

commitment to ministry, often in the face of financial challenges and the constraints it places on their families. Pray for God's blessing, provision, and wisdom.

29. **ZEMA online resources/availability**—South Africa does not offer unlimited data plans for internet service and data must be purchased by the MB. Please pray God will open the way for ZEMA to be approved for a 'zero rating' so our curriculum can be downloaded for free by all our students.
30. **Finances**—Please pray for all financial needs to be met, for ZEMA to be good caretakers of funds given to us by the Lord, and blessings on those who faithfully provide support to our missionaries and ministries.
31. **Home Office**— Please pray God would grant the Home Office staff wisdom as they make decisions which impact missionaries and programs. Pray blessings upon the many volunteers that help meet the needs of the home office.
