Prayer  
Calendar  
2026*

## MONDAY

### **Jon & Lauren Emanuelson**

Thank you for your ministry partnership in this work as the Lord enables each of you. Please pray for the following: For safety and good health for our family as we seek to serve the Lord. For open doors for the Gospel to be preached. For the constant presence and power of the Holy Spirit in this work. For opportunities for believers to be baptized, for Biblical, Christ-centered churches to be established, and for all the necessary wisdom, discretion, and resources in seeking to fulfill the work God has called us to.

### **Barry & Louise Adkins**

Pray for Monday morning Bible Study in Motherwell. It has grown and evolved into another study on Saturdays to discuss theological issues. Syncretism and man-made tradition is confusing. Pray these folk realize they need to open God's word for themselves and study. Pray God continues to move in their lives as they delve into these relevant issues. Pray also that the enemy would not be able to keep them blinded to God's truth. Praise the Lord for His kindness to us in providing more support for us to be able to continue to serve him with ZEMA. Praise the Lord for our current supporters, we are so thankful for them. Pray for more people to become part of our support team as we continue to trust God's provision together.

## TUESDAY

### **Paul & Carrie Seelhammer**

Pray for Paul as he continues serving as ZEMA Field Director. Pray for efficient use of time for Carrie as she ministers to the children, contributes to the Children of Zion ministry, and participates with the local church we attend. Pray for the effective expansion of ministries of the Zion Evangelical Fellowship of Africa (ZEFA) to the Zion churches of Southern Africa. Pray for more interns and missionaries for ZEMA. Pray for the Lord to bless Abbie as she transitions to life in the USA, for Luke, Joe and Josh in their work and studies and for TJ as a high school student. Pray that they will all grow in their faith. Pray for the Lord's continued protection and provision around our day-to-day living.

### **Greg & Sarah Akers**

Please pray for Greg's Dad Richard and Mom Geraldine through the challenges of cancer treatment. Please pray for wisdom in our ministry as we navigate the endless requests and opportunities. Please pray for safety and health at home, at work and at school for the girls.

### **ZEMA Home Office**

Pray for Greg, Carlene, Kevin, Tine, and Kathy as we work together administratively. Pray that God would guide and provide for ZEMA and that we would make His priorities our own.

## WEDNESDAY

### **Jeff & Kim Livingston**

Please pray for God's guidance and spiritual sensitivity as we serve the amaZioni around Durban. Please pray for protection over our family from spiritual attack, and that our minds and hearts be guarded and strengthened as we follow Him. Please pray for Jeff and Kim, as we seek to streamline our business and make more time available for our ministry, and our personal spiritual growth. Pray for our kids: Jaden (21), Ryan (19), Luke (17), Tori (13), and Blessing (17). Please pray for God honoring relationships, direction and wisdom in work & school, spiritual growth and discernment from the world's distractions.

### **Richard and Geraldine Akers**

Please pray for Pastors Tshuma and Masilela in Mpumalanga and Pastor Muiambo in Mozambique as they lead the ZEBS in their areas. Also pray that Richard's health will improve.

### **Mark & Barb Hugo**

Pray for our ongoing ZEBS and pastoral ministries. Pray for encouragement, resilience and wisdom as Mark and Barb take care of their parents. Pray for JJ and Takara as they continue to pursue careers and further their education.

## THURSDAY

### **Greg & Carlene Seghers**

Pray that we would continue to find rest in God's sufficiency, His direction, and His provision. We've had many opportunities, and at times it's overwhelming. We are amazed and in awe of His faithfulness to go before us and work out the details along the way. Pray for Kevin and Christine Pinter, and ourselves, as we have begun mentoring them to take over the role of ZEMA's Home Office Directors (April 2027). Whether lesson plans & curriculum, travel details, or real-life lessons and relationships, we're grateful to God for His patience, provision, and His Word, which is alive and active in our lives.

### **Marius & Nozipho Swart**

Pray for strength and wisdom as we continue to minister with the amaZioni through ZEBS, *Nice To Have Family* couple's ministry, *One Heart* ministry to young girls, and *BibleProject* translation work. Pray for the launching of a new ministry for young boys. Pray for ongoing support needs.

### **Andy Sullivan**

Pray for wisdom and guidance in knowing what to do and when to do it. Pray for journey mercies as I travel to see family and supporters in the UK during 2026. Pray I will continue serving ZEMA in whatever ways the Lord provides.

## FRIDAY

### Matthew Kuehl

Pray for me in my ministry in Gauteng and Zimbabwe. This is my second year running the ZEBS there. May God help me grow more into the work He has for me. Pray for me as I teach at schools, visit people's homes, and preach in churches. Pray that God would give me His words to say and that He would use me to bring many to Him. Praise God for giving me an amazing fiancée in Victoria Minkin.

### ZEMA USA Board

Pray God will grant the Board of Directors wisdom in our leadership of ZEMA:

Mike Gibbs, Lew Richards,  
Kathy McIlhany, Paul Bradley,  
Kevin Pinter, Matt Sheers,  
Lorraine Green, Dan Capp,  
Ron Christiansen, Geff Lee, and  
Des Venter.

### ZEMA Field Council

Pray for Paul as he continues to serve as Field Director. Pray for the Field Council members as we make decisions and give direction to ZEMA's ministries in Southern Africa:

Paul Seelhammer  
Greg Akers  
Stephen Langley  
Jon Emanuelson  
Timon Steiner  
Rowan van der Linde

## SATURDAY

### Tim & Luann Kuehl

Pray for God's blessing as we begin our new normal, for His glory. God's blessing on Matthew Kuehl and the African teachers working with him running the ZEBS Bible Colleges in and around Johannesburg and Zimbabwe. God's blessing and safety for us and our family.

### Brett & Evelyn Miller

Pray for our Zion Bible College staff, teachers, students, and programs: Prison Ministry, Farming God's Way, and teacher transportation. Pray thanks for God's provision. May God be glorified.

### Timon & Annie Steiner

Pray for guidance for new focus areas in ministry (sports, youth, fathers). Open doors and revival among the amaZioni youth in our city! More partners in ministry (locally or from abroad) to team up.

### Luaan & Susanne Goosen

Pray for wisdom to penetrate and reach unreached groups in both South Africa & Malawi. Pray for safety in travel, especially in very remote areas. Also, please pray for our children - Pieter, Sarah, and Katelyn- to have clear direction where God wants to use them in their jobs and at school. Pray for us as we return to South Africa at the end of March after furlough. This will be the first time that we return as "empty nesters," so it will take a lot of adjustment as we begin a new chapter in ministry.

### Kevin and Tine Pinter

We would covet your prayers for grace, wisdom and direction as we make many transitions in the coming year. We ask also for prayer in our fundraising. We ask that the Lord equip us in every way for what he has asked us to do.

## SUNDAY

### Stephen & Jessica Langley

Pray for each member of the BibleProject isiZulu localization team: for steadfastness to finish the work, creative excellence, and blessing. Pray for the next generation of amaZioni leaders as they pursue biblical studies. Pray for wisdom, clarity, and courage to say "yes" to the right ministry opportunities/needs and "no" to the rest. Pray for pastor Siphon Mfusi, with whom we work closely, as he battles multiple myeloma cancer.

### ZEBS Bible Classes

Pray the students in ZEBS Bible classes will see clearly that Jesus is the only way and the final sacrifice for our sin. Pray they understand and feel the great Love of uNkulunkulu for themselves, and that He is not a distant uninvolved creator. Please pray for God to bless the new ZEBS Bible Colleges planned to be opened in 2026

### Kit Tischler

Pray Zionist university groups would be healthy places where young people can hear the truth of the Gospel and grow spiritually. Ask God to deepen the growth of the young men I'm mentoring and to guide me to the right new students to disciple. Pray that God leads me to the right Zion Churches, opening doors to preach and have spiritual conversations. Ask that pastors attend Bible School and that Sunday School teachers would be trained.

### Trumpet of Zion

Pray that God bring listeners with an ear to hear to our nationally broadcast Trumpet of Zion radio program and hearts seeking His Word.
