

Tim and Luann Kuehl
2024 ZEMA Annual Report

Even though we get more tired at our age in handling so many ministries, we wouldn't have missed these last years for anything to see and be part of what God is doing. The ZEBS ministry in our area is going very well. We are regularly hitting new highs in attendance since Covid. Last year we opened a new school in Verena, northeast of Johannesburg city center and this year a new school in Orange Farm, south of the city was opened.

Luann's Children's Ministry and the Annual Sunday School Teacher Training is booming in Gauteng. She also traveled to both East London/King Williams Town and Gqeberha to assist with their Annual Trainings. In response to high demand, she is also spending a lot of time on curriculum development for the amaZioni. Last year a 13-Lesson curriculum book on the Ten Commandments was published and a comparable new book on Jesus' Parables was published this year, written by ZEMA ladies. She also has been assisting Union Bible Institute in coordinating back translations of their various materials – she just finished her third book on their behalf.

Here are the 2024 details for the 12 ZEBS Bible Colleges that our team of teachers in Johannesburg run, including the total students in 2024 and the 2024 graduates. The African teachers on the team are Revs. Maseko, Mchunu, Shayi, Mhlongo, Mzilankatha, Shange, Nhlapo and Vilakazi.
