

Greetings from Sunbury Christian Camp

2024 started with challenges, that could only be work through with our trust in the LORD!

Sunbury Christian Camp has a character of its own. When you live at Sunbury, no two days, months, or years are the same. God has a way of challenging your commitment, dedication and desire when in HIS service.

In January we were welcomed back multiple breakdowns that had great financial impact on ZEMA. By the grace of our generous Heavenly Father we were able to overcome these challenging times, and the work of the Lord could once again continue at Sunbury Christian Camp.

Camp life at Sunbury is living in a continual spiritual blessing.

ZEBS continues with the teaching, and preaching the gospel of Jesus Christ. Also, church groups continue to equip the saints, and lives are changed and renewed every weekend. We love this as we witness the love of GOD for his people all the time. We have learnt that because we are different, as denominations we are not divided. Our Heavenly Fathers cares the same for all of us!

LEWIN'S ANNUAL REPORT 2024

It is a privilege to host and serve the body of Christ at Sunbury Christian Camp. What is even more of a blessing is the desire of Sunbury Staff to ensure excellence for our visitors.

On a sad note, Mrs Khumalo is no longer in the employ of Sunbury Christian Camp after 20 years of service. She is living with bone marrow cancer and could not continue working.

The ZEMA Annual Missionary Conference was hosted by Sunbury mid-year 2024, and what a blessing to fellowship and engage with missionaries from all over.

As difficult and challenging as the year began, we don't remember the hardships only the goodness and faithfulness of our GOD.

Stephan Langley calls me the "the ever optimist"  . It is simply because everyday at Sunbury has a highlight in one way or another, and we love it all. AMEN
